

The background is black with several thin, bright blue lines forming an abstract geometric pattern. These lines intersect to create various shapes, including a large triangle at the top, a circle at the bottom left, and several rectangular and trapezoidal forms. The word "BLUEPRINT" is written in a bold, white, sans-serif font, slanted upwards from left to right, and is positioned across the middle of the image, partially overlapping the blue lines.

BLUEPRINT 1957

BELMONT SENIOR HIGH SCHOOL
BELMONT, MASSACHUSETTS

*To you, MRS. EVELYN G. HORNSEY, we, the members
of the graduating class, dedicate this 1957 Yearbook*

Your methods of teaching English, stimulating to the point of being inspiring, have endeared you to class after class of Belmont High School seniors. Freedom of thought and broadening of cultural horizons have been stimulated and nurtured under your constant guidance and counsel. The fragments of wit and humor injected in each day's class will long be remembered as a unique facet of your nature. May we extend to you our deepest appreciation for giving of yourself so generously in our behalf, for your fine assistance with our graduation exercises, and for the strength and richness of your English course. Mrs. Hornsey, we thank you!

*The best of everything
Evelyn Hornsey*

TO THE CLASS OF 1957:

I am happy to extend my personal greetings to every individual in this excellent class.

The fact that you have accomplished your objective and are to graduate from our High School in June 1957, makes me happy. On the other hand, the realization that you are about to terminate your direct and active association with our schools makes me sad.

In spite of these mixed feelings, however, I want to assure every member of the class that he has my best wishes for continued success and happiness.

Sincerely yours,

CHARLES R. THIBADEAU

Superintendent of Schools

The realization that your immediate goal has been achieved should now provide you with encouragement to seek additional goals to challenge your abilities. The individual who can shoulder his share of the burden is the one whose work, for its merit, is respected and admired. A high sense of values, integrity, purposefulness and respect for others are essential in all fields of successful endeavor. You will profit by evaluating the past, and appraising the present in planning for the future.

Best wishes, success, and happiness to one and all.

GEORGE HIGGINBOTTOM

Principal

LESLIE W. CROWSON

TO THE CLASS OF 1957:

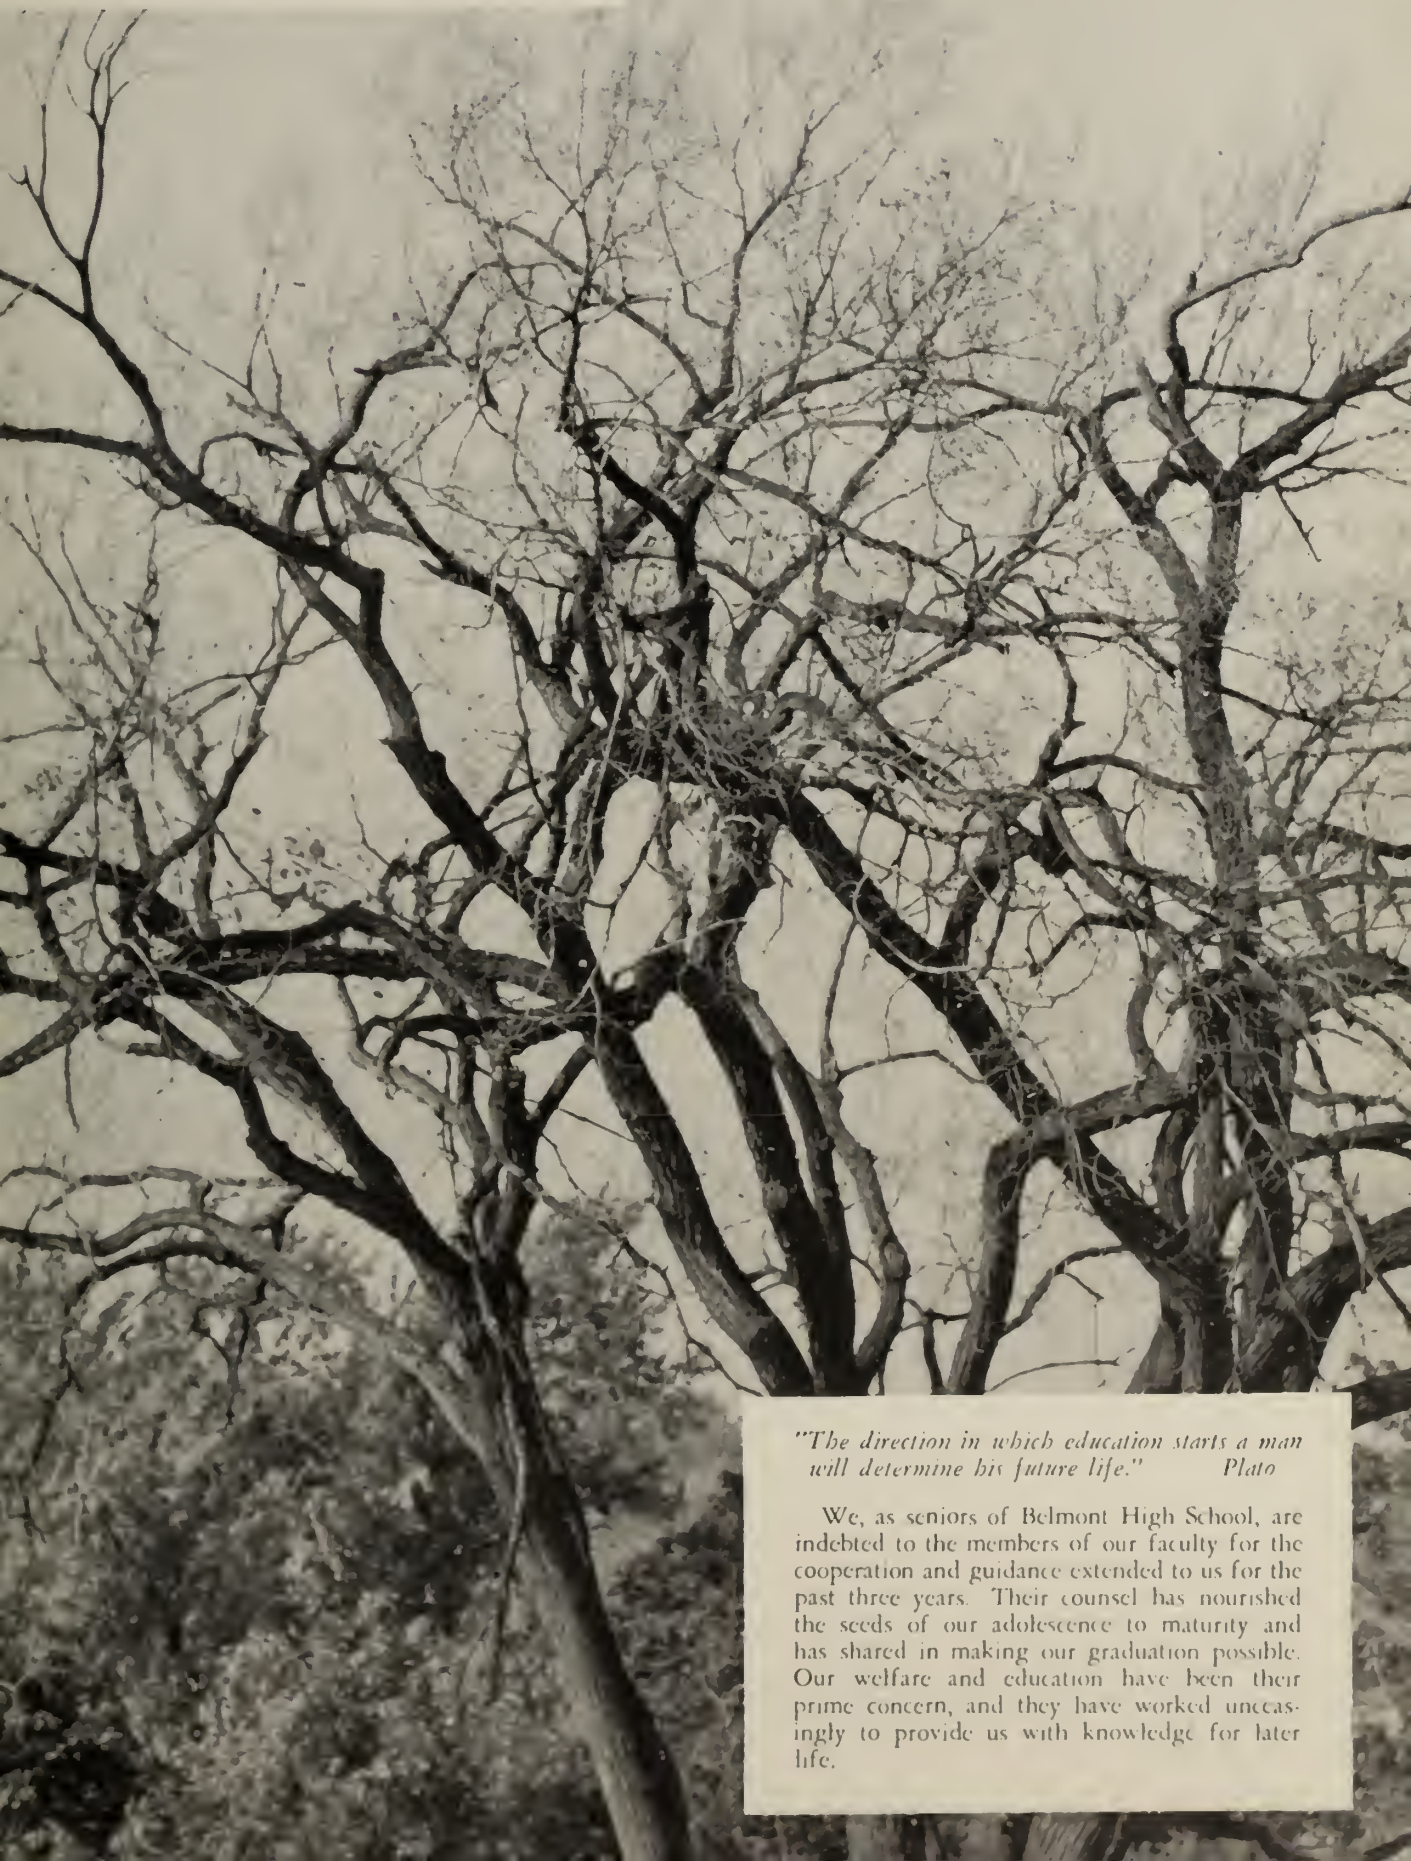

You are leaving Belmont Senior High School for the last time and this brings to a close your formal public school life. However, life is essentially made up of beginnings, not endings. You are about to apply the knowledge you have gained to experiences which in this changing world will begin anew each day. You will begin learning new ideas and methods and begin applying them to new materials for the beginning of new products and services as you carry on your life work.

To meet the challenge of this changing pattern successfully we must be emotionally stable, intellectually alert, physically active, and morally honest. Remember your happiness and success in life depends directly on your recognition of and adherence to the truth.

Congratulations and best wishes to you all —

LESLIE W. CROWSON, *Director*
Belmont Vocational High School

And Gladly Teach . . .

*"The direction in which education starts a man
will determine his future life." Plato*

We, as seniors of Belmont High School, are indebted to the members of our faculty for the cooperation and guidance extended to us for the past three years. Their counsel has nourished the seeds of our adolescence to maturity and has shared in making our graduation possible. Our welfare and education have been their prime concern, and they have worked unceasingly to provide us with knowledge for later life.

TO THE CLASS OF 1957:

It has been a treasured privilege to be your Class Adviser during your high school years, and I have valued the enthusiastic cooperation which I have enjoyed with you.

My best wishes go with you as you enter new and wider fields which will challenge and test you in many ways. You will encounter obstacles, disappointments, and unhappy situations, but always remember that the way in which you adapt yourselves to these circumstances is the secret to happiness and successful living.

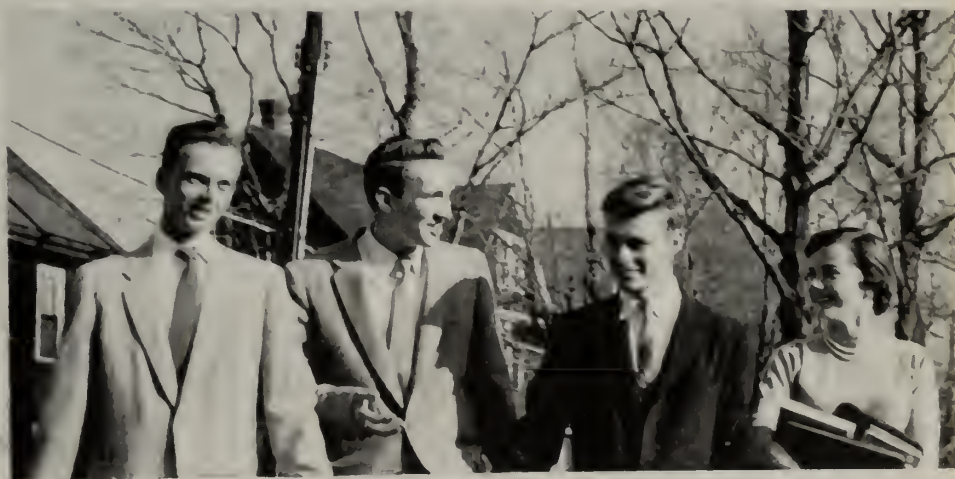

Thus, your futures may present problems which will be squarely faced, and in their fulfillment, may you reap rich rewards and satisfactions.

Our High School Days

On a bright day in September of 1954, we Sophomores scurried to school eager to become students of Belmont Senior High School. The various wings, the corridors, the stairways, the rooms, and the people all seemed to unite for one purpose, to confuse the new sophomores.

In January of 1955, we had our first Sophomore Class meeting at which our adviser, Mr. MacBain, was introduced to us. Numerous petitions were soon circulated among the students for nominations for class officers. After short speeches were given by each of the candidates, the primaries were held, and then the final election. The results were impatiently being awaited when we heard on the public address system, "Elected as Sophomore Class Officers are: Billy Stoneman, President; Sam Smith, Vice-President; Paula Whitney, Secretary; Jimmy Skahan, Treasurer."

Now that our Class was somewhat organized, we were ready to sponsor a dance. In April, the "Spring Shuffle" with Bob Donahue's orchestra was presented. It was a big success, both for the class and for those who attended.

In June we ended our sophomore year with a big splash at Nantasket. We cruised down the harbor on the Boston Belle and spent a hot but wonderful day on the beach. Despite the fact that we looked like broiled lobsters, we returned home treasuring the memories of our first high school beach party.

In November of our Junior year, various types of class rings were on display in the showcase in front of the Office. Orders were taken as students looking like a throng of buzzing bees swarmed about the poor salesman. Again, when the orders had been filled, the salesman bravely returned to distribute the rings. Everyone was a satisfied and proud wearer!

In November once more, we heard talk and plans of dances to be presented by our class. On December third, "Winter Wiggle" with Jack Panjian's Orchestra was given. We had a marvelous time especially watching Mr. MacBain trying in vain to keep "those boys" away from the decorations. In February we sponsored another dance—the "Heart Throb." Dave Kales and Bennett Zarren were great, spinning the records for everyone's good time.

Shortly after this dance, the several committees for the Junior-Senior Prom began work. The months of planning finally ended when the decorations were in place, and everything was ready for the big night on Saturday, the nineteenth of May. "Springtime in Paris" was gorgeous. The favors were silver chains with hearts initialed with "B's"; the refreshments were delicious; the orchestra was very well chosen. Even boys of the Sophomore class helped out by serving as French waiters wearing berets. This Junior-Senior Prom was a great success!

The most exhausting event of the year was our Junior class mountain climb up Mt. Monadnock in New Hampshire. Upon arrival at the foot of the mountain, we adventurous souls ate our lunches,

and then eagerly began the long hike. Some abandoned the group shortly after it started; some straggled behind the unit; others tramped up the mountain at a steady pace; and still others raced ahead to be Belmont High's conquerors of Mt. Monadnock. Remember?

Although our traditional beach party was held on a cold and rainy day in June, our spirits were not dampened and a good time was had by all who went to Wingersheek Beach.

When we started school in 1956, we became the Seniors, the officers of the many clubs, the editors and staff members of the *Star and Blueprint*.

We were very fortunate to have Helga Reimann with us for our senior year. She was the exchange student from Germany whose sparkle added so much to the class.

In October plans were again made for a dance—"Autumn Action" with Eddie Freedman and Bennett Zarren as disc jockeys.

In November our smash-hit Senior Play was presented. "Time Out For Ginger" was the story of a father's wish for his younger daughter to be a "lady" like her older sisters. But she proved to be the star player of the high school football team. The cast of this hit play did a wonderful job.

The annual Belmontian Formal or the "Silver Slipper Ball" was a night to remember. The beautiful decorations, the entertainment, refreshments, and orchestra all helped to make it a most successful evening.

Throughout the year we saw our fellow students on the football field, the track, the soccer field, the basketball court, the hockey ring, the girls' hockey field, and on the baseball and softball diamonds. Remember the excitement of the Tech Tourney? Remember the rallies, especially the boys' cheering section helping to build school spirit to support our many teams?

Climaxing the winter sports season was the hilarious basketball game and dance. The football team played the hockey team. Who were the adorable and peppy cheerleaders?

As the year came to a close we attended the Senior Banquet, the Class Day, and then the Boosters Banquet at which Senior letter winners were awarded jackets. Awards Day and Letter Day were also thrilling, as awards were given to those who had made outstanding records scholastically and athletically.

Before we realized it, graduation had arrived. While we waited nervously to receive our diplomas, we remembered our first experience at high school—the hours of hard work—the moments of fun. It hardly seemed possible that our secondary school education was over. Belmont High's effort to discipline our minds and develop our characters through study had been completed. We are now graduates!

Secretary.

German Club

The German Club strives to promote understanding American-German relations at B. H. S. The officers, assisted by Mr. Hennessey, encourage learning about German customs, people, and culture. Our school's Exchange student this year, Helga Reimann from Germany, was elected to honorary membership in the club, and spoke to the group about life in her homeland. Boys interested in German for later science study in college also have supported the club enthusiastically.

French Club

A large number of linguists find that the French Club gives to them a pleasant opportunity to "parler français." France came to B. H. S. in the form of a travelogue movie with French sound which showed the French countryside and other scenic parts of that country. Charades were the order of the day at the Christmas meeting where all later joined in the singing of French carols — carefully enunciating all the "hard words." A student from Boston College favored us by speaking to the group in French about life in French Canada. The club also sponsored its annual Oral French Contest, and was pleased to send the winner to participate in the competition sponsored by the Boston Chapter of the American Association of Teachers of French. Très bon!

Latin Club

The Latin Club with its customs and traditional Roman togas strives to awaken in its members a deeper interest in this ancient and fascinating language.

The first meeting consisted of the annual installation ceremony. The club enjoyed Bill Stoneman's enthusiastic report and viewed his slides taken while summering in Italy in 1956. In December, an original play written by Edward Clark (concerning the Roman's attitude toward the birth of Christ) was presented by four club members. In a humorous vein, the club was privileged to see a preview of Ovid's "Pyramus and Thisbe" taken from Shakespeare's "A Midsummer Night's Dream." The yearly Alumni meeting gave a fine opportunity for advanced Latin students to meet returning graduates who shared valuable collegiate experiences with present high school students. The new project of the year was one to provide clothing and other necessities for a Navajo teenager in Arizona.

Certainly the Latin Club has tried to broaden horizons and instill the motto: "Vincit qui se vincit" — "He conquers who conquers himself."

Band and Orchestra

That straight-lined, synchronized group on the football field is Belmont High School's own Band. It is known for its clever field formations and good lively music. Zest and tang are also added to rallies, concerts, and assemblies by the Band, under the direction of Mr. Howard A. Nettleton.

Belmont is fortunate in being one of few schools having a fine string orchestra. These pupils work hard in preparation for their appearances at the Christmas and Spring Concerts.

A Cappella Choir and Glee Club

Even early morning rehearsals do not stop the A Cappella Choir from being good! This musical group undertakes the more difficult songs and perfects them with a combination of special breathing techniques and voice balance. One of the Choir's most memorable appearances was on WBZ-TV after a successful Boston Common Concert.

In December, the Christmas Story was told in song by the Glee Club. At the Spring Concert, numbers ranging from Negro Spirituals to highly classical music were sung for the enjoyment of all.

Music Club

The triple purpose of the Music Club has been (1) to encourage a general interest in classical, semi-classical, and popular music — whichever kind you didn't like before joining the group; (2) to sponsor "home talent" shows so that every one who can will do what he can; (3) to support the official Music Department of the school by providing ushers for concerts and making a financial donation for something needed by the department. The Christmas party and the Music Poll for Bob Clayton's radio program highlighted the season.

Camera Club

Belmont High School shutterbugs find the Camera Club to be an outlet for their mutual interest in photography. Under the direction of Mr. Clish, they explore the mysteries of film developing and other arts essential to a good photograph. The Camera Club invited the school to participate in its annual photography contest, this club's special project.

Home Economics Club

Any one of the ninety-eight members of the Home Economics Club can tell you that this is a practical and informative club. It's lots of fun, too!

The purpose of this club is to promote understanding and interest in home economics and its related fields, and the Club presented a variety of programs and activities for its members. For the first meeting, Mrs. Dole from the Katherine Gibbs School spoke on the subject of manners and dress in business, and the techniques of an interview. "Home Economics in Industry" was discussed by Miss Burns from the New England Dairy Council, and films concerning good grooming and nutrition were also presented in the course of the year.

This year as a special Christmas project, the girls baked holiday cookies for different hospitals. Surely this is symbolic of the good things accomplished by the members of this club.

Student Council

"Democracy in Action" is the slogan of the Student Council, because through this group pupils lend support to the morale of the student body. This representative body, composed of one member from each home room, furnished the series of excellent assemblies ranging from one which took us out of this world in an explanation of the planets to another which recalled to us the humor in various dialects in this country.

When we saw Belmont High School beanies and pins around, we knew that the Student Council had sponsored another successful project. "Recuperation" was what we all needed after mid-year exams, and thanks to the Student Council it was provided in the form of a lively hop.

Our appreciation goes to Mr. Kolouch for his assistance and interest in the Student Council.

National Honor Society

The members of the National Honor Society represent the four principles for which this organization was formed — character, leadership, service, and scholarship. It is the aim not only to maintain these qualities, but to uphold them so that others shall be induced to aspire to them.

Everyone has his own special "Belmont" sweatshirt, the sale of which proved that the Society had a fruitful year. The Barnyard Bounce, an innovation at Belmont High School, was the scene of quick stepping as each listened to Roy Perry's command and hopped to perform it.

The Society's funds go toward a substantial scholarship given to one of its deserving members.

*Honorary Members
of the
Belmont Woman's Club
and Junior Rotarians*

The object of the Belmont Woman's Club "shall be to broaden and strengthen the moral, intellectual, and social life of its members and community." Each year ten senior girls are privileged to become honorary members and may attend the various club meetings and functions. Annually, three deserving members of the graduating class are recipients of Belmont Woman's Club scholarships.

Upon being graduated from high school, boys will be confronted with many problems concerning college, service to our country, and business. The eight Junior Rotarians benefit from meetings that are held each month by the Youth Committee of Rotary to discuss such problems. In addition, they are privileged to attend the regular weekly meetings of the club for two months each.

Honorary Junior Members of the Lions Club

This is the first year that the Belmont Lions Club welcomed a number of boys from the senior class to become their Honorary Junior Members. Scholarship and leadership are the basis on which the boys are chosen. Through attendance at the meetings the Junior Lions become acquainted with the functions of such an organization, a factor which will help them later in life.

Even though the ski season was much too short for our skiing B. H. S.'ers, these enthusiasts enjoyed viewing a number of thrilling movies and talks on their favorite subject. This Club is very fortunate to have in its midst members of the faculty who share their enthusiasm and take part in the Club's activities.

The Star

Keeping B.H.S. informed is the Star's task. The latest in clubs, fashions, class activities, and sports events are brought to our attention. This year the informative "Billboard" was made a permanent addition to the Star's list of features. There was also the great "rag" column, remember? The literary talents of the students were revealed through editorials, short stories, and poems which were featured throughout the year. The editors, even those who wrote their columns an hour before deadline, were journalists in the true sense of the word!

Forum Club

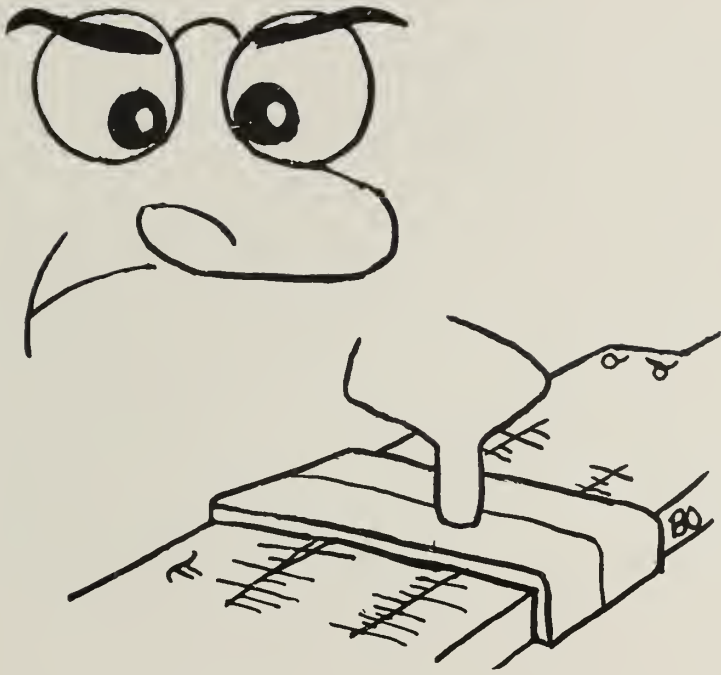

The gavel sounded and two interesting meetings of the Forum Club featured talks of life abroad by our American Field Service students, Jimmie Forman and Billy Stoneman.

In November, the members promoted a "Get Out and Vote" campaign by distributing vote tags and holding a mock election here in school.

From elections to panel discussions — "Should the United States Commit Itself to Foreign Aid" was the topic discussed by the junior members of the club. In March, the long awaited Massachusetts Student Exchange Day 1957 with Revere arrived, and in a special assembly prepared to familiarize our guests with the Town government, our own student body also learned about the Warrant and the Town Meeting.

Congratulations must be extended to this club, for they not only fulfill the purpose of promoting an interest in civic affairs, but also prove the value of "citizens of tomorrow."

Math Club

Numbers and formulas hold a special fascination for these math sharks. This has been shown as they have mastered the intricacies of the slide rule, visited a Boston engineering firm, and viewed special films on mathematics and engineering.

"Actions speak louder than words." The members of the Red Cross Club serve others in such activities as baking birthday cakes, making colorful favors for veterans' hospitals, sewing stuffed animals and dolls for children in hospitals, and spending afternoons doing volunteer work at the Mount Auburn Hospital. These girls certainly practice the "Golden Rule"!

Under the direction of Mr. MacCloskey, the club followed a busy schedule, including the presentation of "A Cup of Tea" and a comedy "If Men Played Bridge as Women Do." Well informed guest lecturers have also offered helpful hints to the enthusiastic members.

'Belmontian Club

You could certainly tell when there was a Belmontian Club meeting, for the clicking of heels and the rustling of petticoats was heard everywhere in the building throughout the day.

Two hundred fifty Junior and Senior girls who met the requirements set by the Club constituted its membership. Early in the year, the Senior members were privileged to enjoy a talk given by Dr. Bettencourt concerning his collection of unusual nut-

crackers. Everyone was dressed in her best as two generations gathered for the annual Belmontian Mother and Daughter Tea. All will agree, however, that the highlight of the social season was the Silver Slipper Ball, scene of swishing gowns, light feet, and lots of fun!

Mindful of its call to service, the Club annually awards a substantial scholarship to a worthy member of the graduating class.

Bookworm's Club

Belmont High School has its own Book-of-the-Month Club in the Bookworm's Club sponsored by Miss Ames. The wealth of books owned by the group supplements those in the school library. By paying a small fee, each member is entitled to draw from this private collection of books, ranging from adventure to religion. Artistic talents are revealed by the illustration of books on eye-catching posters. The winners of the poster contest are privileged to have their pictorial representations displayed in the school library.

Field Hockey

Under the able coaching of Miss Cleary and Miss Smith, the field hockey team began the season by tying Wellesley 2-2. After this tie the Belmont team was determined to win the next game against Brookline, and surged to a 3-0 win. Then Belmont met Malden and outplayed them, winning 2-0 on goals by Lee Kennedy. The next game was disappointing, for Belmont had the lead all the way until the last few minutes when Lexington emerged with a burst of strength and managed to break Belmont's defense to score a goal, thus tying the game as time ran out. The following two games against Arlington and Winchester were rough for Belmont and the squad was defeated 1-3 and 0-3, respectively. The final game of the season was against Concord and ended in a 1-1 tie, with Barbara Carroll scoring Belmont's only goal. Liz Borland, co-captain, played a rugged game with many hard drives and great defensive plays.

Cross Country

Belmont led by Captain Dick Costello and Pete Teagan opened the season by trouncing Beverly 24-33. The following week was one of mishap for Belmont. First, one of the best runners Belmont has ever had, "Red" Costello, broke his ankle. Then the team was shut out (failed to place in the first five) by Newton. Entering their second straight meet without Captain Costello, the harriers suffered their second straight defeat, this time at the hands of Melrose. With O'Leary, Dwyer, Teagan, and Mercer finishing 2, 3, 4, 5, Belmont dumped Arlington 24½-30½. Despite the fine running of Brian O'Leary, Belmont fell before a mighty Watertown team. At the district meet held at Brandeis University, O'Leary finished seventh among all of the runners from six different schools. At the Middlesex meet held at Tufts, Belmont finished twelfth out of seventeen participating schools. O'Leary again proved his worth by finishing eleventh among the 250 entrants. John Dwyer finished fifteenth out of roughly 150 participants in the State meet held at Franklin Park. Belmont as a team finished fifth in Class B.

Soccer

The highly touted soccer team wound up the season with a record of two wins, seven losses, and one tie. The club dropped its first five games before defeating Governor Dummer 2-1. In this tilt, Paul DiNapoli and Doug Loomer tallied the scores. Co-captain Ron Fine played his customary outstanding game. The boys lost to Medford, Exeter, Watertown, Browne & Nichols, and Phillips Andover, previous to the Governor Dummer game. They bowed to Medford and Watertown again before Coach Solano switched his outstanding player, Ron Fine, to the line. In the first game at his new position, Fine rammed home two goals to lead Belmont to a 2-1 win over Belmont Hill. In the next game, Ron repeated his performance, enabling Belmont to tie the Tufts Freshmen 3-3.

Injuries hampered the booters throughout the season. Co-captain Dave Zibbell sprained his ankle after but four games. He was out for the remainder of the year. Kevin Bratton suffered a broken-collar bone late in the season. Ed Freedman injured a leg. Co-captain Ron Fine deserves special credit for his fine play as fullback, goalie, and inside. Next year's captains, Kevin Bratton and Paul DiNapoli will have a strong squad with which to work.

Girls' Basketball

The varsity team this year consisted entirely of seniors, led by their able captain, Barbara Carroll.

After a month of hard practice, Belmont met its first rival, Lexington. From the very first whistle, Belmont took command with superb shooting, enabling the team to breeze to a 42-29 victory.

The next game was disappointing, for Belmont, lacking the drive shown at Lexington, was defeated 29-31 by Arlington. Inspired to do better, Belmont went to Cambridge High and Latin the following week and played a stupendous game. Barbara Carroll really outdid herself by scoring a total of 24 points. The next game against Melrose was also highly successful, as Belmont romped to a 46-19 victory with Barbara scoring 22 points and Ann Cain scoring 13 points.

Then at Concord Belmont played a very exciting game, with a nip and tuck score all the way. Lee Kennedy and Gerry Lasker came through in the last quarter to boost the score to a 39-31 win for Belmont.

The last game of the season was against a highly skilled Winchester squad. Belmont went to Winchester hoping to cause an upset, but Winchester, having other ideas, took possession of the ball from the very beginning and walked away with a 43-31 victory.

These games could not have been played without the support of the guards, for at all times they were alert and ready to receive the rebounds. Their fine defensive plays enabled Belmont to remain well ahead of their opponents.

The season wound up with 4 wins and 2 losses. This may be attributed to the fine coaching of Miss Cleary and the enthusiasm each girl put into every game.

Football

The 1956 season, although not a winning one, was the best for Belmont in the past few years. The team wound up its schedule with three wins, five losses, and one tie. Starting with a bang, the Frinkmen accumulated two wins and a tie in their first three games. They slipped past Lexington 2-0 in a squeaker. Next they held a powerful Reading squad to only six points while earning that many themselves. Melrose fell before them the following Saturday, 13-6. The tables were turned on the next four weekends as the Belmontians bowed before Wakefield, Cambridge Latin, Concord, and Winchester. Two of those games were really close and with a little luck could have resulted in Belmont victories. The freezing weather at Stoneham hampered "Bender" Crisafulli in no way. He scored twenty points as the club broke back into the win column 26-19. Belmont lost on Thanksgiving Day to its traditional rival, Watertown, 21-6. The boys played surprisingly well against a team which outweighed them roughly fifty pounds per man in the line.

the driving spirit . . .

The star attraction at rallies, football games, and other special events were the dazzling Drum Majorettes. It will be many a year before anyone forgets their spectacular performance at the Tech Tourney, when the Garden lights were lowered and Sally twirled her glowing fire baton. For every occasion these girls originated clever routines which they skillfully demonstrated.

Nine peppy figures, jumping and gleefully yelling, guess who they were — the cheerleaders! "Show some spirit, make some noise," was their cry as they led the girls and boys in cheering the teams on to victory. In their sacred trust was the school spirit, which could make a winning team and give life and fullness to the cherished high school years.

Belmont

Two foul line points in the first half, Belmont with a minute to go and a first-half foul, gave the Bruins a 62-54 victory. The Bruins, coached by Sam Smith, defeated Belmont in the Garden last night in the Tech Tournament Class A final round.

Pulling away from a half-time advantage, Belmont outscored the enemy in the third quarter and from there to defeat champion South Boston.

In another game, Belmont was down to the wire, two points by co-captain Greg Loser with a minute and 30 seconds remaining, gave Belmont a 39-37 win over a St.

Basketball

Able coached by Mr. Wenner and Mr. Carey, the fabulous basketball team compiled a record of nineteen wins as against just two losses. Belmont and Winchester, each having 13-1 records in league play, tied for the Middlesex League championship. They reached the finals of the Tech Tourney after tripping St. Mary's of Brookline 40-39 and edging Winchester 54-43, but stumbled before a taller Natick quintet.

The starting five consisted of co-captains Greg Loser and Sam Smith, Dawes Hamilt, Bill Stoneman, and Doug Devine.

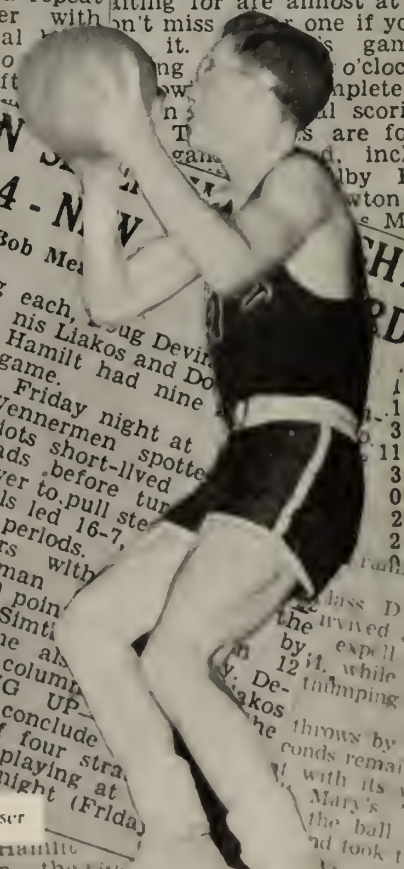

The key to the club's success may be found in their great back-court men, Greg Loser and Dawes Hamilt. Greg finished the season as their leading scorer. He tallied a record 34 points in one game. Dawes was the chief playmaker and second high scorer. He and Devine shared rebound honors.

The highlights of the season were the two victories over arch-rival Winchester. Hamilt and Stoneman led the team to a home court victory 55-53. They defeated them again in the Tourney 54-53 with Loser tallying the final two pointer with eight seconds remaining. The only two defeats were to Winchester 55-47 and to Natick (the score has been conveniently forgotten).

The outlook for next year is very good with Devine and Hamilt returning as co-captains.

Hockey

After its first seven league games, Belmont was sitting on top of the strong G. B. I. League. The Blue and Red had perhaps the best line in the state in Allison, Gardiner, and Bennett; and a hustling second line. Our stonewall defense was backed up by the great play of goalie Doug Hubbell.

With the play-offs came disaster. In the Arlington game, our fabulous captain, Kenny Gardiner received a severe head injury which ended his hockey playing for the season. The locals fought hard but bowed to Arlington and Newton. The Belmont spirit could not be broken. Playing a game of desire, they tied Melrose 1-1. Melrose tallied a disputed goal with less than three seconds left. The tie enabled Belmont to enter the State Tourney. The pace could not be maintained, however, without the scoring punch of Allison and Gardiner and the boys fell to B. C. High 2-0.

Indoor Track

The indoor track squad defeated Melrose as expected in its opening meet this season. But upon entering league competition, Belmont fell down before Cambridge Latin, Watertown, and Natick. In the annual B.A.A. Meet, the Belmontians ran well but failed to bring home honors. The following Saturday the locals began to hit their stride. They defeated Arlington handily. At the State Meet held on the Boston Garden Boards, Belmont finished third in Class B. Led by Captain Roy Wilkins, many of the boys turned out tremendous individual performances. Roy placed second in the high jump and third in the hurdles. John Crisafulli took second place honors in the 300, while Ralph Mercer copped third place in the 600. Ted O'Connell ran third in the 1000, and John Dwyer ran fifth in the mile. The boys wound up their season by tripping North Quincy.

Next year, Captain John Dwyer will have a hustling squad with which to work.

Golf

Belmont High School's Golf Team had a successful campaign this season. Under Coach Cowing's leadership, consistent good golf was played by all members. Sparked by Co-captains Haggerty and Harris, the locals enjoyed a better than average season.

Boys' Tennis

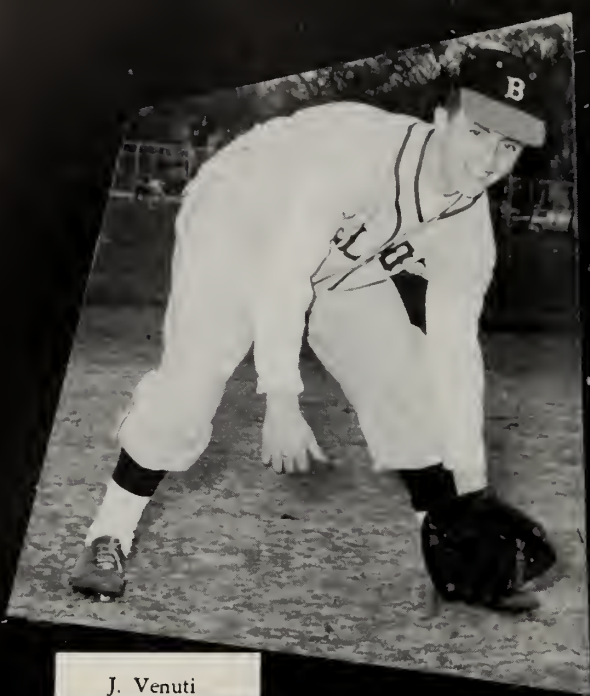

Mr. O'Connor coached one of his finest tennis teams of all time this year. Pete Teagan returned this season as Captain. Other returnees were Brian O'Leary, Mark Grady, Tony Mick, Bob Cobe, Mac Freeman, and Charlie Borland. Paul Sullivan, only a Sophomore, is already among the top ten in New England. Billy Callahan, another Sophomore, was only a step behind Sullivan and Teagan. These three were the top singles men. Borland, Grady, O'Leary, Cobe and Freeman were top doubles men. Despite the loss of many veterans, next year's team led by Borland, Callahan, and Sullivan, holds great promise.

Baseball

The candidates for the Baseball team met in the gym early in April. A roll call proved the team to consist predominantly of Juniors. The returning varsity members were: Captain Ron Fine, Greg Loser, Dawes Hamilt, Pete Leofanti, Artie Kadehjian, and Dickie 'O'Neil. Others starting on the varsity were: Joe Venuti, Bob Hughes, and Jo Watson. Hughes and Watson were Sophomores and appear to be able to be of service to the team for three years. As a lead off man, Leofanti was excellent. Fine and Hamilt supplied the power. Kadehjian and Watson were steady hitters. The infield was perhaps the best in the league, defensively. The pitching staff, led by big Dawes Hamilt was adequate. Backed up by a strong bench, the team was the most powerful in years.

Spring Track

The Belmont High School Track Team had another successful campaign under coach Mel Wenner. With Co-captains Wilkins and Crisafulli leading the way, the locals were pretty solid in all events. Tony Creonte and John Crisafulli were standout dash men. Mercer and O'Connell were the backbone of the middle distance runners, while Costello and Dwyer excelled in the mile. Roy Wilkins was one of the finest high jump and high hurdle men in the state. Crisafulli handled the low hurdles. He and "Jungle" Jim McCormick did well in the field events. Next year's team will be strong with the return of such runners as Dwyer, Mercer, Creonte and McCormick.

Girls' Softball

Although the girls' Softball Team suffered a great loss in senior players last year, the many candidates had the ability to fill the missing positions with great ease. Sophomores and Juniors dominated this year's team as only five Seniors turned out for practice. They were as follows: Elaine Damiano, Joan Holle, Pat Picariello, Nancy Jaynes, and Sue Rogers. The long afternoons of practicing in the dust were certainly rewarding, for the girls had a successful season.

Girls' Tennis

With three undefeated seasons behind them, the tennis team upheld its fine reputation by finishing with an outstanding record of victories. Lee Kennedy and Liz Borland, returning for their third year, played numbers one and two respectively, when the season began. Returning for their second year were Mel Lordan, Judy Walsh, and Sue Shelton. Mel played third singles and Judy and Sue played first doubles. At first, the other positions were unsettled, but were quickly filled by the many Sophomores, Juniors, and Seniors competing for these positions as the season progressed.

SHOPPING FOR A JOB?

CHECK WHAT YOU WANT:

☐

*Good starting salary
with regular raises*

☐

*Pleasant work with other
girls and young men*

☐

*Prestige of a responsible job with
a well-known and respected company*

If your list shows three checks, then you should check into what the Telephone Company has to offer you. Smart girls are doing it now, before they graduate from high school. Come in and see our employment interviewer soon. You'll enjoy talking with her.

Act now, and you can say with pride, "I'm all set! I'm going to work with the Telephone Company!"

See the Guidance Counselor at your school, and talk first with her about when and where to apply.

PURDY

A Little Better

A little better skill in posing, a little better likeness and Boston's foremost imprint—and you have a much better photograph, much more satisfaction and far wider approval of results. Then we add beautiful covers and scrupulous care in details of packing and, mark it — we deliver on time. No detail escapes our interested care.
